PRESIDENT'S REPORT

Club Turrumurra

I am pleased to advise that president Graham continues to make good progress and is now spending some time back at his home. He has asked me to convey his thanks to the many club members who sent their good wishes and support. We look forward to his return hopefully in the not too distant future.

In response to a suggestion from a club member the committee has resolved to send an overview of the guest speaker on the Friday preceding each general meeting. As well as being informative this will hopefully encourage attendance at the meeting and support the generosity of the voluntary presenters.

The committee is in the process of registering 2 new domain names for our website to enhance the efficiency of the search for users and prospective new members.

On a positive note, there are a number of activities in the program that are well supported and enjoyed. Groups where there is a common interest are strong and have longevity e.g. Trivia, Knit in Morning tea, Mah Jong and Theatre to name a few. However, if the club is to continue as a vibrant organisation, participation and a willingness get involved are key. Please give it some thought!

You will note we have a 'Christmas in July' luncheon scheduled for Sunday 10th July. We look forward to your enthusiastic support of this function as a way of reconnecting with fellow club members after a sustained period where many of us have become accustomed to staying at home.

I look forward to your company on this occasion and indeed others in the program. Although the weather is chilly and uninviting, I assure you the companionship on offer at Club T will not be. Warm wishes,
Joan Cuyngame
Vice President
